About This Game

Sheep Collision is a party game for up to 4 human (online) or computer-controlled players. The game features several different levels in which the goal is to defeat opponents by push them out of the meadow or otherwise. The last player standing wins the round and the first player to win a set number of rounds wins the game. The main mode of play is Free for All, but online is possible 2v2 teams.

- Every level have different type of game modes
- Sheep with unique skins and accessories

-
- Interesting ways to defeat opponents
 - Single player, Lan or Online up to 4 players
